Handouts n. 216

“Clear, Brief and Easily Assimilated by all”

OPEN LETTER to the **Successors of the Apostles** for a renewed Evangelization in the God-revealed true Religion

Dear Archbishops and Bishops,

A new religion is being forced on us in Australia by our Federal and State Governments

OUR once Christian country, of 1788 to the 1960s sexual revolution, is now being led, albeit by democratically elected members of parliament, into an increasingly dictatorial style of government in which our **freedoms of religion, speech and assembly are being systematically whittled away.**

A pseudo religion, with its own gods of atheism – pleasure, power and pelf – is legislated and enforced.

1. GOVERNMENTS MAKE THEMSELVES GOD BY LEGISLATING DOCTRINE and MORALS

Governments ignore God the Creator and usurp Him as law-giver and judge; (against Hebrews 11:6; 9:27).

They do not accept that their legislating is limited by natural moral law “written on the hearts” of all men (Romans 2:15). They even dictate how we may speak: they ‘socially engineer’ vocabulary and grammar. It’s incremental and we can defy it in most instances – it’s a pity we ever compromised our liturgical translations.

2. A PERVERSE COMMANDMENT ON MARRIAGE

What was once marriage has been redefined without mention of male or female or children. Our governments no longer link marriage with matrimony. Sodom & Gomorrah have trumped complementarity.

3. DEBASED COMMANDMENTS ON FAMILY

Parental authority is usurped by a philosophy of government welfare which does not know what human life on earth is meant for, and by an economy that ignores homemaking and enslaves mothers and fathers.

For all this, we Catholics are partly to blame. We failed our country in her hour of need.

FROM the late 1960s, priests and bishops surrendered their teaching role to the catechetical revolution. Christianity was adulterated. Doctrine was replaced by the ego-philosophy of self-fulfilment. The self-acclaimed experts of that age, and since, beguiled the bishops: “You set the content and we’ll set the method” – but the catch was that **the method became the content** – and orthopraxis replaced orthodoxy.

Gurus, imported by diocesan authorities, or home-grown, no longer based love on faith (against 1 Timothy 1:5):

- they bamboozled the Bishops
- confused the Parish Priests, and
- betrayed the ancient loyalties of the faithful – who were expected to pay for their own destruction.

“BE STRONG and STAND FIRM” (Josuah 1:6 etc)

We must overcome the odium from a few fallen brethren abusing children and minors, lest our silence become “cowardice in the face of the enemy” – who is ultimately Satan – and call our country to “Repent and believe the Good News because the Kingdom of God is here” (Mark 1:15). Please see overleaf.

Begging your blessing and in all sincerity and obedience in our Lord, I remain,

“Without a vision the people perish”

“How desolate sits the city” when “their prophet see no vision from the Lord”
so give them **Truth – Beauty – Goodness – God** against
Error – Ugliness – Evil – Atheism

“Preach the word, in season and out of season,
convince, rebuke, and exhort, be unfailing in patience and in teaching.
For the time is coming when people will not endure sound teaching,
but having itching ears they will accumulate for themselves
teachers to suit their own likings,
and will turn away from listening to the truth and wander into myths” (2 Timothy 4:2-4)

Bring JESUS to Australians and resist enforced PSEUDO RELIGION

MYTHS in GOVERNMENT THINKING

contrary to observation and sound reason

1. Our politicians act as if they they were God:
they ignore Natural Moral Law (as in the Judaeo-Christian Decalogue) which would save tax dollars spent on welfare & law enforcement and they support immoralities such as
 - atheism/agnosticism, violation of conscience;
 - blasphemy, profanity and obscene speech;
 - ignoring God's Day for worship & rest from work;
 - deconstructing family life and parental authority;
 - murder babies by abortion & elderly by euthanasia;
 - mock at marriage by sexual perversions:
contraception, divorce, masturbation,
fornication, adultery, sodomy, transgendering;
 - spending our taxes on immoralities;
 - lie about outcomes of failures (e.g vaccines);
 - tolerate pornography arousing lust & violence;
 - greedy for taxes gotten from immoralities.
2. Our children do **not** belong to Governments
with parents delegated to raise them for a government creed.
3. Nor do citizens belong to Governments:
we own the Government, they do not own us – our taxes
pay the politicians and bureaucrats to harmonize society for
us: we employ them; the Prime *Minister* is our First *Servant*
among other servants and the bureaucrats are our Public
Servants: they exist for us; we do not exist for them.
4. Schools are misused to breed puppet & pawns
for Gramsci-Marx Socialist Republic.
5. Social engineering weaponizing weasel words:
 - “equality” for imposing one's dominance over others
 - “inclusive” to approve *woke* and exclude anti-woke
 - “no discrimination” for discriminating against others
 - “no divisiveness” that silences opposition to error
 - “hate-speech” accusation hurled with intense hatred
 - labelling as “sexist”, “racist”, “homophobic”, “denier”,
etc to avoid the facts and any debate.
6. LGBs anti-morals & health hazards are legally
protected and they bully criticism into silence.

GOVERNMENTS: STOP PRETENDING TO BE GOD

**No to “BOW DOWN & WORSHIP ME” but
“BEGONE, SATAN: ADORE GOD ALONE”**

Matthew 4:10

LIKE the MYTHS in PSEUDO-SCIENCE

with which school pupils are brain-washed

1. Evolution
less likely than a cyclone making a jumbo jet from a junk yard:
irreducible complexity; DNA codes forbid evolution of life; missing links;
living fossils; polystrate fossils; vertical strata from quick deposit of fast-
flow; false dating of new rocks from volcanoes; coral growth in years not
centuries; myth promoted by fraud of Piltdown Man. (See *Handouts* n. 189)
2. Feminist interchangeability of the sexes:
but their affirmative action contradicts equal opportunity; motherhood &
family suffer; the old 1960s feminism is displaced by transgenderism.
3. Multiple genders: abolition of male & female:
a scientific nonsense contrary to observation; reality replacd by ideology.
4. Gender at whim: dreams become nightmares:
a “woman” is one who claims to be a woman (and woe to
you if you challeng him/her).
5. Myth of man-made global warming:
demonizing CO₂, but the scientific facts are that solar flares raise ocean
temperature releasing CO₂; obscuring real problems of pollution & waste.
6. Population control & reduction: one-child laws
that, along with contraception, makes an anti-child attitude
which governments and individuals find almost irreversible
7. Lies & cover-ups over Wuhan, Covid & the Jab
to favour greed of Big Pharm and population-reduction (see *Handouts* n. 212).
8. LGB errors ignore the complementarity of
 - male & female reproductive organs
 - sperm & ovum designed for each other
 - XY & XX chromosomes and how they match-up
 - psychology, from observation, history, literature.

HOW DO WE MEASURE UP OURSELVES?

Jesus Christ said:

For whoever is ashamed of Me and of My words
in this adulterous and sinful generation,
of him will the Son of Man be ashamed
when He comes in the glory of His Father
with the holy angels. (Mark 8:30).

Solzhenitsyn said even a dictator can be:
“Responsible to God and his conscience,” and
“Better dead than a scoundrel.”

St Francis of Assisi said:

Where there is hatred, let me sow love.
Where there is darkness, light.
Where is sadness, joy.

Father James Tierney
